Dear Friends of St. La Salle School,

St. La Salle School is pleased to announce the 30th Annual Benefit Auction to be held on Saturday, February 6, 2021 virtually. This year the auction promises to be another memorable one, filled with lots of fun and fellowship – all for a great cause.

St. La Salle School was established in 1953 and was founded by the Christian Brothers. Over 2,000 students have graduated from St. La Salle School. Today, St. La Salle continues to educate over 260 students from Pre-school through eighth grade. Children from Reedley, as well as the surrounding communities of Dinuba, Sanger, Selma, Kingsburg, Parlier, Orange Cove and Mountain Communities attend our school. Operating such a quality school is quite costly. Many families would be unable to afford such an education, without the help of the various fundraisers held throughout the year, which generate forty percent of the school budget.

We are in the midst of preparing for a great auction, this is where we hope you can help us in making it a success. We are hopeful that you will consider donating an item or service to be included in either the silent or live auction. There is also the opportunity to become one of our sponsors and be recognized for your generous support in our Auction Program Booklet. This program is given to all the guests attending this popular event. All donations, whether large or small, can make a difference that will last a lifetime. All donations are tax deductible to the extent allowed by the law.

We realize that there are many groups who request your support; we greatly appreciate your contribution to St. La Salle School. St. La Salle School shines today after 67 years, because of the continued support of friends like you. St. La Salle is a non-profit organization registered under the Internal Revenue Service Code (c) (3) classification and all donations to the school may be tax deductible.
