Dear Parents,

We welcome you and your child to St. La Salle Preschool/Childcare Center. Please read the operating procedures in this handbook and in supplemental notes and newsletters that we may send you from time to time. You are to be a part of the school, offering suggestions, comments, and constructive criticism, as well as moral support.

Mission

The Mission of St. La Salle School is to provide a Christ-centered Catholic education rooted in Gospel values for all children, we provide an environment in which students learn to grow through faith, hope and love as life-long members of God's family.

Vision

St. La Salle, a Catholic PK-8 School provides an enriched learning environment that integrates Christian living and academic goals striving to develop the whole person. Students are called to be active members in building a community of faith through participation in prayer, liturgies, sacraments, daily catechesis, and service. Each student is led to develop spiritually, morally, socially, emotionally, intellectually, and physically, nurtured by the belief that every student will successfully transition into high school and beyond as a person of faith.

Philosophy

(Proverbs 22:6 "Train up a child in the way he should go, even when he is old he will not depart from it.")

We Believe in a:

+ Christ-Centered Education

St. La Salle School is a ministry of the Roman Catholic "Faith Community of the Diocese of Fresno. It's students, parents, teachers, staff members, school board members, religious and pastors, are joined together through His message. The message, as revealed by God, inspired by the Holy Spirit through fellowship in Christian life and proclaimed by the Church, is "To Teach as Jesus Did".

+ Learning-Partnership

We strive to provide a stimulating environment where every student can develop his/her academic and creative strengths. Our goal is to foster, an environment that will challenge and encourage each student to successfully transition into high school and beyond. We believe that parents and teachers are partners in that process. Parents are the primary educators working along with teachers for the welfare of their children (Christian Education, 8). We support parents and teachers in establishing a partnership of mutual trust and open communication to effectively lead each student, influenced by their faith, to develop a sense of mission, service and concern for others and their community

+ Faith Community

We believe that the "Faith Community" is at the heart of our Christian education and is not simply a concept to be understood but is a reality to be lived. This reality means teaching the whole person, fostering a Christ-centered environment which acknowledges and respects each student's uniqueness. We encourage each student to grow in grace and lead a more Christ like life in his/her "Faith Community" and our global, technological society.

Our Staff will introduce and foster the religious development of appropriate programs with daily routines. We believe joy and play are the basis for children to learn in developmentally appropriate programs. Through joy and play children are able to learn at their pace, allowing them to explore, think independently, test new concepts and become self-confident learners. Our goal is to instill in each child the desire to learn. We not only teach to provide information and facts, but to communicate the joy of learning through discovery, exploration and play.

Children participate in flexible programs with daily routine. Our curriculum includes, but is not limited to the following areas:

- Religion
- Cooking
- Dramatic Play
- Music & Movement
- Language
- Literacy
- Science

Eligibility

St. La Salle School admits students of any race, color, national or ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national or ethnic origin in administration of its educational policies, admissions policies, and other school administered programs.

St. La Salle will accept any children 3-4 years of age, with the provision that the child be toilet trained (self-sufficient in the bathroom). Each child admitted must be physically and emotionally ready for the type of group experiences he/she will be involved in at St. La Salle School. This may be assessed throughout an interview between the director, teacher, parent and child.

Any child or parent who is a serious disturbance to the other children and/or staff will be given a two week warning notice and conference. If the disturbance is very serious and/or a threat to other children and/or staff, then he/she will be asked to leave immediately.

Financial Procedures

There is an annual \$60.00 registration fee payable at the time of enrollment that is non-refundable.

Tuition

Tuition is due every 1st of the month. Tuition is late after every 15th of the month and will need to pay a late fee.

Enrollment

All enrollment applications must be fully completed before admission is allowed

Health and safety of each child

Your child's health matter is of major importance to all of us. Upon enrollment, you must file with us the following necessary forms:

- Copy of Birth Certificate
- Baptism Certificate (If they haven't been baptized that is ok)
- Emergency Information Form
- Child's permission health history
- Physicians Form
- Immunization Record
- Consent for Medical Treatment
- Field Trip Permission Form
- Parents Rights Form
- Personal Rights Form
- Child Abuse Form
- Admission Agreement Forms

Proof of up-to-date immunization must be submitted before a child attends St. La Salle Preschool/Childcare Center. This includes proof of a T.B. test and a negative reading result which has been taken within the last year.

Emergency Information

In case of an emergency, it is important to the Center's office to maintain in your child's file:

1. Current Address
2. Home & Work telephone numbers
3. Physicians name and telephone number
4. Authorized people who may pick up your child

Please notify the school office immediately of any changes so we can keep our information up-to-date and reliable.

Withdrawal From The Center

A two-week notice is required when withdrawing a child from the Center. At which time financial obligations must be met in full.

Absences

No deductions or refunds will be made for absences. The tuition contract guarantees a place for your child and is basis for staff salaries and expenses. If your child is absent due to illness, you may make up that day on a day when there is room for your child with the director's consent only.

Overtime Charges

There will be an overtime charge for children not to pick up at the regular dismissal time (6:00pm). This charge will be \$1.00 for the first 15 minutes, and \$2.00 for every 15 minutes thereafter. Late charges can be paid at the time of pick up, or will be added to the tuition bill.

Arrival And Pick Up

Arrival: Children may arrive at 7:00am

Pick-up: If you know you are going to be detained, please notify the school immediately so that we can reassure your child. There is an overtime charge, but we are flexible. If saving ten minutes means risking an accident, please drive safely. Because the school has no provision for care after 6:00pm, consistent lateness after that hour will be cause for dismissal.

Authorization To Pick-Up Your Child

No child will be released to a person not authorized by a parent to pick up the child. We must have written or verbal authorization for changes in this respect. If there is a custody order in place it is the parent's responsibility to provide an updated order to the school immediately each year.

Procedures Of Picking Up Your Child

Your child's name will be on an attendance sheet. A parent or authorized adult must accompany the child in and out of the Center. You will be required to sign the arrival time on this sheet, and departure time and name upon departure. This is our way of taking attendance, snack and lunch count, and having proof of who picked up your child.

Nutrition

We serve a mid-morning and afternoon snack, along with a nutritionally balanced lunch. The lunch will be brought in from Kings Canyon Unified School District, Food Service Department. Parents will have the opportunity to purchase lunch for their child at the Center or bring a nutritional lunch from home. Parents are welcome to send other snacks to be shared by their child's class. However, since preschool daycare children are combined, that snack must be enough for the entire group. This must be prearranged with the director in advance of the day it is brought. Occasionally, your child will have the opportunity to prepare special food at the school for a snack or meal.

No food is to be eaten at school except snack and lunch...and please, no gum.

Meal and Allergy information

Please make certain that your child's teachers are fully informed about his/her allergies. An accurate list of the foods or substances will be kept posted in the classroom or the lunch room. Prompt notification will allow for appropriate substitutions.

Medicine

Only prescription medication. All prescribed medication brought to the Center must be labeled with the child's name on it and left in the proper prescribed container. **All Medications will be stored in a locked cabinet at the center.** All medication forms are located in the school office and must be filled out weekly and completely. Medication will not be given without this written information signed by the parent or guardian. **Medication is given by the head teacher.**

Illness Information

The Center is a place for well children. The staff will assess the health of each child daily. Children with signs of contagious infections will not be accepted at the Center. **Children must be free from fever 24 hours before they can return to school. If a child is sent home with a fever, he/she may not return the next day.** Children must stay home if they have any symptoms listed below.

Symptom List

1. Diarrhea (loose, watery, mucous-filled stools).
2. Temperature must be normal for 24 hours before returning to the Center.
3. Common cold (runny nose, vomiting mucous is the most common sight, also a fever or loss of energy)
4. Cough with mucous secretion (wet, wheezy cough) which can spread a bacterial or viral infection. A child experiencing the dry, hacking cough of allergy may come to the Center. If there is a question regarding symptoms, a doctor's clearance may be required.
5. A rash or skin infection with drainage. A child having dried skin lesions may come to the Center.
6. Vomiting recurring or with fever.
7. Pink eye or conjunctivitis. Child must be on medication for 24 hours before returning to the Center.
8. Child with head lice will not be allowed to attend the Center. Our Center reinforces a nit-free policy. Children will not be allowed to return until they are nit-free.

A parent will be contacted immediately when children become ill or fever is present. There will be no refund or reduction in tuition when your child becomes ill and is not in school.

Medical Emergencies

In minor cases First Aid will be given the Center's staff who are trained in First Aid and CPR. In the event that a major First Aid is required, beyond the staff's capabilities, the physician on call for the Center will be contacted. Every effort will be made to contact the parents. In case of failure to contact the home or parent at work, the authorized person/s on the emergency phone list will be tried. If one of the authorized persons on the emergency form cannot be reached, the school will seek the emergency care needed, by contacting the physician on call or calling 911 if the emergency requires it. Parents will be liable for any expense incurred.

Naptime (Child Care)

Your Child Care child will be asked NOT to bring a blanket or small pillow. Each child will be assigned a mat and the Center will provide a sheet that will be washed daily.

What To Wear To School

Provide simple sturdy clothing that is free from complicated fastenings. Your child will be encouraged to go to the restroom by themselves (under watchful supervision). We want this to be a positive experience for them and help them toward independence. Due to messy art materials and other messy activities, provide clothing that is washable. Weather can be changeable (even though the sun may be bright and warm at 9:00am, it might be cold and cloudy at 10:00am), so dress your child warmly. Provide sweaters and jackets even on the first sunny fall days. Please put labels on all outer clothing including hats and boots.

Extra Clothing (Child Care)

Please leave a complete extra set of clothing (including socks, underwear and shoes) in your child's cubby. Please label them and have them in a paper bag with his/her name on it. These may be old clothes as they to be left at school in case of a toilet accident or water or paint spill. We will appreciate contributions of underpants, long pants, and t-shirts your child may have outgrown for our emergency closet (3t- youth X-small).

Birthdays We celebrate birthdays during the snack period. You may send cakes or cupcakes. Your child's teacher will add special songs, candles, etc., to make this special time for your child. **Please notify the director in advance.**

Sharing "Show and Tell"

Each child will have one day a week to bring a sharing item. Your child's day will be posted on group time board. Please mark the item with your child's name. Upon arrival at school it must be put in the child's cubby. Please encourage your child to bring a sharing item related to the unit of the month. This encourages verbalization and gives the child a positive feeling about themselves. Please, one item only. Toys of any kind are not allowed on any other day. Violent or scary toys are also not allowed.

Calendar

Preschool follows the local public school calendar regarding holidays. Child Care will have sign-ups for need of Child Care during school holidays to determine need for our services.

Rules of Discipline

Discipline is considered to be a form of guidance rather than form of punishment. The goal of discipline is to help children develop their own problem-solving, choice-making, and self-monitoring skills rather than to allow the adult to vent anger, frustration, and display superiority and power.

The Center is designed to be child-proof and to encourage pro-social age appropriate behavior from your children. A positive approach is used with children in ensuring their safety and well-being while at the Center. The staff are trained to effectively use positive discipline approaches such as redirection, role-modeling, moving out from the activities, and discussion with parents.

Transfer, Custody, and Student Records

TRANSFER of STUDENTS

Students clearly unable to profit from the school by reasons of ability, serious emotional instability or other condition, or the conspicuously uncooperative or destructive attitude of students and/or parent(s)/grandparent(s)/ guardian(s) will be asked to transfer.

- The school will first make reasonable efforts to meet the needs of the student.
- Conferences will be held with the parent(s)/guardian(s) to advise them concerning the possibility of withdrawal for academic or other reasons and to discuss possible remedial actions and/or educational alternatives.
- The final decision is made by the school administration in consultation with the principal, pastor, teacher(s), and parent(s)/guardian(s).
- Every effort is made to assist the parent(s)/guardian(s) in finding other schools or agencies with facilities to help the child.

TRANSFER of STUDENTS BECAUSE of PARENTAL BEHAVIOR

Normally a child is not to be deprived of a Catholic education or otherwise penalized for actions of the parent(s). However, the school administration and/or pastor may recommend transfer of a student when parent(s)/grandparent(s)/guardian(s) are consistently uncooperative and conduct themselves in a manner that is disruptive of the harmonious relationships in the school, as such conduct is itself a violation of the school's policies. Parental interference in matters of school administration and abusive language toward school administration, pastor, or teacher(s) are some of the reasons for recommending a transfer. If parent(s) refuse to accept the recommended transfer, the procedures for disciplinary expulsion will be followed.

TRANSFER OF STUDENTS BETWEEN CATHOLIC SCHOOLS

Prior to accepting a student transferring from one Catholic school to another Catholic school, the receiving school administration will contact the school administration of the originating school to discuss student performance, parent financial obligations, family involvement, etc.

CUSTODY OF MINORS

Unauthorized organizations, agencies, or persons shall never be allowed to assume custody of any student on school premises during school hours or immediately before or after school, unless the assumption of custody is explicitly authorized in writing by the parent(s) or guardian(s).

1. Normally, school administration should ask one other adult (e.g., pastor, teacher, secretary) to witness the presentation of the authorization unless the school administration is absolutely certain that the authorization is bona fide.
2. In case of any doubt as to the validity of the authorization, custody shall not be granted.
3. In order to cooperate with student and family needs, the school should be informed of custody arrangements. It is the responsibility of the parent or guardian to inform the school of custody status and subsequent changes and arrangements. The school must ask for legal verification of these arrangements.

4. In the absence of any court order, the school will make every effort to remain neutral, and will assume that both parent(s) have custody of a student, and the student may be released to either parent. As part of this policy of neutrality, any parent claiming a custody right superior to the other parent will be required to present a current and valid court order or agreement demonstrating and explaining that right. Only upon receipt of satisfactory documentation will the school recognize the rights of one parent over the other with regard to a custody provision that relates to the student's enrollment at the school (such as decisions regarding enrollment or who may alter the authorized).

RIGHTS of NON-CUSTODIAL PARENTS

In the absence of a court order to the contrary, the school will provide all the child's parents, custodial or non-custodial, with equal access to the child and equal access to academic records and other school-related information regarding the child. If there is a court order specifying that there is no information to be given, no contact with the child, etc., it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

STUDENTS NOT LIVING WITH PARENTS or LEGAL GUARDIANS

Students are expected to reside with their parents or legal guardians. If circumstances arise necessitating a student to live elsewhere, the school must have the parent's approval in writing or a court order. The new location must meet with the school's approval. Students must reside with a responsible adult of at least 25 years of age; this does not include a boyfriend or girlfriend of the parent or guardian.

CLEANING

- We will introduce fresh outdoor air as much as possible, for example by opening windows. When cleaning, airing out the space before children arrive; we plan to do thorough cleaning when children are not present. We will replace and check air filters and filtration systems to ensure optimal air quality.
- We will implement procedures to frequently clean and disinfect all high touch surfaces, such as sink knobs, toilet handles, tables, door handles.
- We will designate a container for toys that need to be cleaned, sanitized, or disinfected before being introduced back into the classroom environment.
- We will have multiple toys and manipulatives accessible that are easy to clean and disinfect throughout the day or provide individually labeled bins with toys and belongings for each child. Toys that may be put in a child's mouth should be cleaned and sanitized. Toys that are difficult to clean (e.g. soft toys, small block and rag dolls) will be removed from the classroom.
- We have chosen cleaning products, use those approved for use against COVID-19 on the Environmental Protection Agency (EPA)-approved list "N" and will follow product instructions.

To reduce the risk of asthma related to disinfecting, we have selected disinfectant products on the N list with asthma-safer ingredients (hydrogen peroxide, citric acid or lactic acid). We are trying to avoid products that mix these ingredients with peroxyacetic acid, sodium hypochlorite (bleach) or quaternary ammonium compounds, which can cause asthma. Workers using cleaners or disinfectants will wear gloves and/or eye protection as required by the product instructions.

All products will be kept out of children's reach at all times

***The Center will be cleaned daily, and whenever necessary throughout the day.**

HYGIENE

- St. La Salle will implement and enforce strict handwashing guidelines for all staff and children. Wash hands for 20 seconds with soap, rubbing thoroughly after application, and use paper towels to dry hands thoroughly. It may be helpful to sing a 20-second song while children wash. Please practice with your children at home, use bathroom time as an opportunity to reinforce healthy habits and monitor proper handwashing.
- While at home please teach children to avoid contact with one's eyes, nose and mouth, and use tissue to wipe their nose and to cough/sneeze inside their elbow. Model and practice handwashing before and after eating, after coughing or sneezing, after playing outside, and after using the restroom.
- All personal items should be labeled and kept in a separate bag to ensure personal items are separate from others. Personal blankets will not be allowed. St. La Salle School will provide mats and sheets for each student and will be washed daily by the Center. Each child's bedding will be separate, stored in individually labeled cubbies, or bags. Cots and mats will be labeled for each child as well.
